**REMARKS/ARGUMENTS**

Applicant thanks Examiner for the courtesy of the interview with the undersigned on December 22, 2005, in which Examiner called to specifically discuss Figures 7 and 14 of the present application. Examiner suggested that if applicants were willing to remove extraneous identifiers in Figures 7 and 14 the application would be in condition for allowance. Applicants agreed to amend the Figures as the Examiner requested. The present amendment reflects the agreed upon changes of the Examiner and the Applicant from the December 22, 2005 meeting. Having amended the Figures as requested, the present application is in condition for issuance upon recording of the payment of the issue fee submitted herewith.

**CONCLUSION**

Entry of this amendment is respectfully urged since it merely cures a formal defect in the drawings and does not touch the merits.

Respectfully submitted,
